This one day course will provide valuable skills for **ALL BSA ADULT AND YOUTH LEADERS**... not just designated Trainers. The Fundamentals of Training is the **FIRST** part of the three-part train-the-trainer continuum (T3, or T-Cubed) in Boy Scouts of America. The course introduces teaching techniques and skills to new Scout trainers but is also designed to help all Scouters, regardless of their experience, present effective training. Intended for both youth and adult trainers, the course will help those who might have trained for other organizations learn the BSA's training techniques, and it will help freshen up the skill of current BSA trainers.

**Interactive Participative Learnings include: Gathering Activities, Icebreakers, Event Openings, Presentation Methods, How We Learn and much more!**

**How to Register:** Call or email Judy Aldrich, 941-773-9646
